

How to Use ParentSquare for Volunteering at Scholls Heights:

ParentSquare (both mobile app & website) is the new place to find all of our volunteering opportunities! These can be found a few ways, which are outlined throughout this document.

Raptor Background Check:

BSD is committed to ensuring our schools are safe places for our students and staff, and this system enables us to be certain we know who is in our schools at all times. Volunteers must first be approved and background checked by the district (will need to be renewed every two years). Please apply [here](#).

Community Members (not a parent of a Scholls Heights student) - Once Raptor approved, please [join the Community Group](#) to gain access to ParentSquare.
