Volunteering at Scholls Heights:

How to Use ParentSquare

<u>ParentSquare</u> is the place to find all of our volunteering opportunities! You can download the mobile app or use the website to see upcoming opportunities and sign up to volunteer.

Most volunteer opportunities are typically shared through a volunteer newsletter in ParentSquare, rather than individual notifications. While this is our usual approach, the method of communication may occasionally vary. Make sure to check that your notification settings are up to date.

Note: If you are a community member (not a parent or legal guardian of a Scholls Heights student), please navigate to the bottom of this document for guidance on accessing ParentSquare.

There are also FAQs available for all volunteers on the <u>Beaverton School</u> <u>District website</u>.

If you have any questions, please contact volunteer@shpto.org.

We're excited to have you involved in our school!
